Capacity

S1835	160.0 litres (to overflow)
--------------	----------------------------

Flow rates

B9870	16.5 Litres per minute @ 3 bar pressure
--------------	---

Standards

BS 1390:1990. EN 14516

Special Notes

*Anti slip is a resistant finish that reduces the chances of slipping, it does not prevent all slipping. Not suitable in areas involving the use of special chemicals. Framework is required at installation to support rim and secure panel. Panels require trimming to size at installation. Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device, see A5901AA or Part G for guidance.
